

## NorPEN Seminar Series

## Hosted by the NorPEN EduGroup

Date	Presenter	Topic
Oct 20, 2022	<b>Mollie Wood</b> , Assistant Professor at the Gillings School of Global Public Health, University of North Carolina	Medication use during pregnancy: what can we really learn from real world evidence?
Dec 13, 2022	<b>Jesper Hallas</b> , Professor at University of Southern Denmark	Development and Validation of a Nordic Multimorbidity Index Based on Hospital Diagnoses and Filled Prescriptions; <a href="https://pubmed.ncbi.nlm.nih.gov/35509520/">https://pubmed.ncbi.nlm.nih.gov/35509520/</a>
Feb 15, 2023	<b>Edouard L Fu</b> , Postdoctoral Research Fellow at the Division of Pharmacoepidemiology, Brigham and Women's Hospital and Harvard Medical School	Using clone-censor-weight to study deprescribing: an application to RAS inhibitors in advanced CKD patients; <a href="https://pubmed.ncbi.nlm.nih.gov/33372009/">https://pubmed.ncbi.nlm.nih.gov/33372009/</a>
Mar 28, 2023	<b>Kristian Svendsen</b> , Associate Professor at The Arctic University of Norway	Using Norwegian registries to emulate clinical trials in Oncology - Experiences from NordicRWE
Jun 7, 2023	<b>Henrik Størvring</b> , Associate Professor at Aarhus University	The parametric Waiting Time Distribution - Estimation of prescription duration from dispensing dates
Sep 12, 2023	<b>Anthony Matthews</b> , Assistant Professor at Karolinska Institutet	Benchmarking observational studies against randomized trials
Nov 9, 2023	<b>Lotte Rasmussen</b> , Assistant Professor at the University of Southern Denmark	Introduction to Selected Measures of Drug Utilization Based on Individual-Level Drug Dispensing Data
Jan 24, 2024	<b>Maurizio Sessa</b> , Associate Professor at the Department of Drug Design and Pharmacology, University of Copenhagen	Conditional Average Treatment Effects using Meta-learners and explainable risk equations
Mar 12, 2024	<b>Heidi Taipale</b> , Senior Researcher at Niuvanniemi Hospital, Finland and Karolinska Institutet, Sweden	Handling polypharmacy in psychiatric pharmacoepidemiology
Sep 26, 2024	<b>Morten Andersen</b> , Professor and leader of the Pharmacovigilance Research Group at Pharmaceutical Informatics, Department of Drug Design and Pharmacology, University of Copenhagen	Immortal time bias – why it occurs and how it can be avoided
Oct 28, 2024	<b>Anders Hviid</b> , Head of the Department of Epidemiology Research, Statens Serum Institut and Professor of pharmacoepidemiology, Department of Drug Design and Pharmacology, University of Copenhagen	A Gentle Introduction to Causal Forests for Heterogeneous Treatment Effects
