# 11<sup>th</sup> NorPEN Meeting 7<sup>th</sup>-9<sup>th</sup> November 2018

## From the Womb to the Grave – Life-course Pharmacoepidemiology

---

*Get Inspired and Updated - Present your Research –  
Meet friends and colleagues – Network with new collaborators*

### Nordic PharmacoEpidemiological Network

The full program of the NorPEN Meeting is available [here](#).  
For further information about the Meeting and to register,  
please click [here](#)

**Venues:** School of Pharmacy, University of Oslo, Blindern campus, Oslo, Norway

**Registration deadlines:**

Early bird: 7<sup>th</sup> September 2018

Late registration: 15<sup>th</sup> October 2018

UiO • University of Oslo

Norwegian Institute of Public Health

## Program highlights

**Employing longitudinal trajectories to model exposure in perinatal pharmacoepidemiology research** –*Kristin Palmsten, HealthPartners Institute*

**Mediation analysis in pharmacoepidemiological studies of drug safety during pregnancy** – *Jon Michael Gran, University of Oslo*

**Drug use among children and adolescents** - *Marte Handal, Norwegian Institute of Public Health*

**Medication Use from Cradle to Grave – the Nordic perspective**  
– *Björn Wettermark, Regional Health Board*

**Clinical epidemiology in the era of big data: new opportunities, familiar challenges** – *Vera Ehrenstein, Aarhus University Hospital*

### Pre-meeting course:

- An introduction to genetic epidemiology: Quantitative genetics, causal inference, and novel polygenic methods. See the full course program [here](#)

**Making “RWD” a larger part of the regulatory decision-making process - with special focus on pharmacovigilance** – *Marie Louise De Bruin, University of Copenhagen*

**Academic Detailing using Health Registries** – *Harald Langaas, RELIS, Trondheim*

**Sharing sensitive data between the Nordic countries** – *round table discussion*

### Meeting for Registry holders:

- Maintaining high quality and efficiency in prescription databases across the Nordic Countries

#### **Especially for PhD students and Postdocs!**

Present your research in a pharmacoepi slam (3 min)

Present results of Nordic collaborative studies or  
on other hot topics (10 min)

**Abstract submission deadline: 15<sup>th</sup> August 2018**
